## BENEFITS OF IAB

- » Partnership between the school and business communities
- » Develop appropriate curriculum for students

- » Develop a qualified workforce
- » Continually evaluate students and program success
- » Create common goals that will meet the needs of the school and community
- » Provide opportunities for students to make connections between classroom learning and real life

## GCSD IAB MISSION

Our mission is to prepare the students of GCSD for the world of work. By linking the district with community businesses we can foster a quality education program to meet the needs of all of our students. In turn we will create a skilled workforce for our community.
